Daniel P. Brunner DDS, MD

Dr. Brunner is a dual degree Oral & Maxillofacial Surgeon holding both Medical and Dental licenses. He operates a successful private practice in Atlanta, Georgia, where he primarily focuses on dental implant reconstruction and wisdom teeth extraction. He lectures both internationally and domestically within the United States. Dr. Brunner is the President and Founder of Impact Health International, a non-profit corporation focusing on bringing 21st century oral health to the Dominican Republic. His desire as an Oral Surgeon is to make dental implant reconstruction easily accessible, with the highest quality of care. He has helped numerous dentists successfully incorporate implant dentistry into their practices.

- Welcome to Implants in Paradise, the premier **HANDS ON** dental implant training course with live surgical patients. You no longer have to learn on cadaver mandibles or Styrofoam blocks, you will actually be placing implants on live surgical patients **HANDS ON**.
- Upon completion of Dr. Brunner's **4 day Implants in Paradise** course, you will be able to apply your experience of learning on live surgical patients into your practice immediately. As a result, you can increase your overall production and better serve your patients with confidence.
- **40 HOURS** of Continuing Dental Education
- **Tuition:** \$12,995 - includes accommodations in all-inclusive luxury resort on the beautiful North Coast of the Dominican Republic and ground transportation.
